Increase in Postal Fees for Inventory Orders

LONGUEUIL, February 21, 2025 – Attestra wishes to inform bovine, ovine, and cervid producers that shipping fees for inventory orders are being raised due to an increase in postal rates by Canada Post.

Effective Monday, February 24, 2025, shipping fees for inventory orders (identifiers held in reserve at our Longueuil office), will increase from \$25.00 to \$28.76. This rate includes administrative and postal fees.

Attestra would like to remind producers and industry stakeholders that orders for identifiers and accessories can be placed online at anytime through SimpliTRACE or by phone by contacting Customer Service during business hours at 1 866 270-4319.
