

ANIMALS TRACEABILITY

Reference Guide | Rendering Plant

This reference guide describes the key government requirements regarding animal traceability in Québec. The information in this document does not replace that of the official legislation and is not exhaustive. For more information, consult the [Regulation respecting the traceability of certain animals](#).

1. Registration

What to do?

Time limit

Activate your account.

Contact Attestra at **1 866 270-4319**.

2. Rendering a bovine, an ovine or a cervid carcass

What to do?

Time limit

Report the collection of the animal carcass.

You must inform Attestra of the following information:

- Your stakeholder number¹ or name and address
- The premises number² of the rendering plant
- The number on the tags³ affixed to the animal
- The date the animal carcass was collected
- The name of the previous owner or custodian
- The premises number or address of the location the carcass was collected

The rendering plant operator may remove the tags from a dead animal.

In the **7 days** following the collection of the animal carcass.

¹ The stakeholder number is a number that was attributed by Attestra (ex. EQU12345).

² The premises number is a number that was attributed by Attestra to a location where animals are being held (ex. QC1234567).

³ The approved tags carry a unique and ISO compliant 15-digit number corresponding to a specific specie. These tags have been approved by the Canadian Food Inspection Agency (CFIA) according to the Part XV of the [Health of Animals Regulations](#).
